

## **UNISON Branch Roles Available**

Are you interested in becoming more active within your UNISON Branch?

UNISON Yorkshire Ambulance Branch has two roles currently vacant within its operating structure. These roles are

- Branch International Relations Officer – This officer develops and leads international solidarity activities including campaigns, twinning with sister unions and support for projects abroad.
- Black Members Lead – This lead works within the Branch to improve equality in the workplace and challenge racism and discrimination.

To apply, you need to be a UNISON member and be proposed by one individual and seconded by another for the role, again both need to be current UNISON members.

Please email [yas.unison@nhs.net](mailto:yas.unison@nhs.net) with your nominations, including your name and membership number (if you don't know it contact [yas.unison@nhs.net](mailto:yas.unison@nhs.net) or call unison direct on 08000 857857) and the role you are applying for. We will also need the name of the proposer and seconder, also with membership numbers if possible.

The nomination period will be open for 3 weeks from today, closing on Friday 5th August at 1700hrs. If only one name is put forward for these roles, then that individual will be nominated unopposed. A notice of nomination will go out shortly after the closing date.

Should more than one person be nominated for a role then a further notice will be sent out to members, with a 200-word statement from the candidates, which members will then have the chance to vote on, with the candidate receiving the most votes nominated.

More information on each role is available at [unison.org.uk](http://unison.org.uk)
